Andrew Gagns, whose body arrived here from Antwerp was a member of the United States secret service, it, was stated here Wednesday by relatives Mr. Gagne was 29 years of age and a native of Wauregan. He had been with the government for the past ten years. Little was known about the nature of his work, for he said little about anything having to do with his occupation.

It is known, however, that he was on government work in New Orleans during rioting that took place in that city and was one of the special agents of the government who went into the northwest and investigated the activities of Reds and I. W. W.'s at Scattle about a year ago.

During the World war he served overseas with the sanitary corps. He was a member of the American Legion. Mr. Gagne leaves three brothers, Valmortm. Onel and Francis, all of Woonsocket, and a sister Mrs. Silvio Nevu, of Wauregan, where Mr. Gagne is to be buried.

His death occurred September 23 on the steamship Princess Natorka which

was taken cannot be determined until members of the Hardy household arrive at Woodstock. They have been notified by telegraph of the robbery and are expected to arrive in Woodstock today (Thursday). Mr. and Mrs. Hardy have been on a notoring tour and were reported Wednesday to be somewhere in New York state. It was hoped through knowledge of their itinerary to reach them by wire.

The break was discovered by the caretaken, who notified the police of this city and State Officer Elliott.

That the thieves were deliberate in their work is indicated by the upset condition of the furnishings of the house. Apparently nothing escaped investigation, for trunks had been forced open and their contents strewn about.

No one except members of the Hardy family will be able to tell what is missing until a thorough checking up has been made.

The Hardy residence is one of the fine country places of Woodstock. Its interior at Woodstock and the country places of Woodstock is interior and provided the property of the country places of Woodstock. Its interior and provided the provided t

The tormenting, insistent pain of a burn or scald is quickly subdued by Resinoi Ointment. Its cooling ingredients remove the inflammation, and hasten the healing. Cover the burn well with Resinol and bandage with soft gauze. In severe burns or scalds

Home-made, but Has No Equal for Coughs

nomenomenomenomenomens

If you have a severe cough or chest cold accompanied with soreness, throat tickle, hoarseness, or difficult breathing, or if your child wakes up during the night with croup and you want quick help, try this reliable old home-made cough remedy. Any druggist can supply you with 2½ ounces of Pinex. Pour this into a pint bottle and fill the bottle with plain granulated sugar syrup. Or you can use clarified molasses, honey, or corn syrup, instead of sugar syrup, if desired. This recipe makes a pint of really remarkable cough remedy. It tastes good, and in spite of its low cost, it can be depended upon to give quick and lasting relief.

You can feel this take hold of a cough in a way that means business. It leosens and raises the phlegm, atops throat tickle and soothes and heals the irritated membranes that line the throat and bronchial tubes with such promptness, case and certainty that it is really astonishing. Pinex is a special and highly concentrated compound of gennine Norway pine extract, and is probably the best known means of overcoming severe coughs, throat and chest colds. There are many worthless imitations of this mixture. To avoid disappointment, ask for "2½ ounces of Pinex" with full directions and don't agcept anything else. Guaranteed to give absolute satisfaction or money promptly refunded. The Pinex Co., Ft. Wayne, Ind.

80 Years Old -Was Sick

Now Feels Young After Taking Eatonic for Sour Stomach

"I had sour stomach ever since I had the grip and it bothered me badly. Have taken Eatonic only a week and am much better. Am 80 years old," says Mrs. John Hill.

Eatonic quickly relieves sour stom-ach, indigestion, heartburn, bloating and distress after eating because it takes up and carries out the excess acidity and gases which cause most stomach ailments. If you have "fried everything" and still suffer, do not give up hope. Eatonic has brought relief to tens of thousands like you.
